

## **Request for Proposals Phase I and Limited Phase II Environmental Site Assessment**

### **Questions and Answers**

The following questions and respective answers are presented to be part of the RFP noted above.

Q1. Can you provide the addresses of the 17 single-family homes?

A1. Attached

Q2. Can you provide a site map of these structures?

A2. Attached

Q3. Can you confirm if you would like pricing included for Hazardous materials testing (asbestos screening, lead-based paint, & radon testing)?

A3. Please see V. Scope of Work, subcategory A. Phase I Assessment bullet 3. We are asking for a determination based on industry standards. The results could lead to a Limited Phase II.

Q4. How many copies of the proposal do you need?

A4. We only requested one in the RFP; however, 2 to 3 individuals will review the proposals. Therefore, feel free to provide one original and two copies. You may also provide a flash drive, CD, etc. You will not lose points for only providing one copy nor receive extra for otherwise. 😊

I hope this addresses all questions and I look forward to receiving your proposals by September 2, 2020 @ 4:00pm EST. Please remember that, if mailing, plan accordingly as there have been several noted delays in the USPS.
