Questions and Answers as Related to Appliance Quote Request for Linton Oaks Moderate Rehabilitation Project

April 23, 2021

Q. The Quote Request noted two refrigerators; however, one will not fit in the space. Can you clarify your request?

A. The Quote Request noted the following:

- Refrigerator – 16 each
 - GE 25.3 Cu. Ft. Side-By-Side model GSS25GSHSS **OR**
 - GE 19.2 Cu. Ft. Top-Freezer model GTE19JSNRSS

Further evaluation noted that the GE 25.3 Cu. Ft. Side-By-Side model GSS25GSHSS would not fit in the designed space. You do not need to provide pricing on that model.

As noted in the Quote Request, the appliances specified are for design and quality standards, any other appliance may be substituted. However, it is the proposer's responsibility to provide documentation of the substituted appliance qualities as being equal to or better than the specified brand/model.

If you have already provided a quote, then you may provide a new one based on the above questions and answers.

Deadline for submission is 12:00 noon on Thursday April 29, 2021.
