Repair or Removal and Replacement of Retaining Wall, Sidewalk and Railing

Questions and Answers from Walkthrough

Wednesday September 14, 2022

The following questions have been provided to the ACHA is regards to the above listed IFB.

- Q. There seems to be a slope in the parking lots adjoin the areas of the retaining wall. Will these need to be repaired?
- A. Yes, please take into consideration the needed repairs for the parking lot. There is not a place on the Proposal Form (page 15) for this. Therefore, please submit these costs on a separate letterhead sheet. Please be detailed.
