Quote Request for Tires and Maintenance

The Alachua County Housing Authority is looking for quotes on vehicle tires and tire maintenance for their fleet of vehicles. Please submit you best price quote to hold steady for a period of 1 year. List out all associated charges including but not limited to balancing, valve stems, disposal fees, recycling fees, labor, mounting, etc. Specify the tire brand, ratings (tread ware, traction, and temperature) and availability. We would also like to know what you could set for tire rotation, patches and plugs as needed over the one-year period. You may submit pricing for multiple versions of the same tire.
